SANTA WE BELIEVE
FOUNDATION

Dear Friend,

We are on a mission to bring the magic of Santa to needy pre-school children nationwide.

You can join our team TODAY to make our goal a reality!

Santa We Believe celebrates the wonders of the holiday season in pre-school educational settings. At selected pre-schools, our “elves” (volunteers working with teachers and parents to set a date for Santa’s visit) help needy children prepare a wish list for Santa. Sometimes these requests can be a bit unusual! One 4-year-old girl wanted only a Star for the top of her family’s tree and she hugged the star, dancing and laughing, when Santa granted that wish!

In addition to granting children’s special wishes, your generous donation also provides special in-class activities on the day of Santa’s visit that have included: plays, puppet shows, singing and dancing programs, and other educational programs. While the children are enjoying these activities, Santa checks his list one last time, loads his gift bag, and arrives at the classroom so the real fun can begin! Santa represents magic, wonder and imagination during this early childhood period. *This carefully planned visit with Santa allows children to learn to graciously accept and share the gifts of the season, spontaneously show appreciation and learn how to give back to others.*

Because our children make specific wish lists, we prefer toy gift certificates or monetary donations. **You can even donate online at our website at www.santawebelieve.org.** If you feel more comfortable (or just feel it is more fun) making a toy donation, our most popular girl toy request is Barbie or Dora dolls and our most popular boy toy requests are transformers or toy cars. There are many ways for you to get involved with our movement to bring Santa to every child! You can also volunteer for one of our events/activities, or volunteer at a pre-school in your area! **Please help us spread the word to your family, friends and others about our mission to bring Santa to every child.** Share this letter or send friends and family to our web- site. Stay in touch by signing up for our email updates and by visiting www.santawebelieve.org.

Thank you for believing and for joining our team!
