Greetings parents.

Account Balance:	\$1,153.84	
Pending Deposits:	\$1,048.40*	(Poker Run, Exxon Cards, Poinsettias)
Pending Expenses:	(Paul's Upcoming Trip for USA Board Meeting)	
Outstanding Checks:	\$ 0.00	
Available Balance:	\$2,202.20	

Upcoming Fundraisers:

Cook book sales will kick-off next week. Please begin to gather the recipes to include in the book. As a nice touch, we would like to include your child's favorite recipe which can be as simple as a PBJ so if you have one of these, please include it.

There will be a central location in the gym where the recipes will be collected. Also, please make sure to include your name with the submission. I am seeking at least two volunteers to type in the recipes and proof read them. Please let me know if you are available to help.

We will also kick off an Indian River fruit sale and orders for those will be due to Tim by Monday, February 15. Order information will be forwarded to you in your folders when we have it available. The fruit is priced at \$16 a case of which we will make \$5.35 per case. If each family could sell three to five cases it would certainly go a long way toward reaching our fundraising goals.

Comments/Concerns/Suggestions:

If you have any comments, concerns for fundraising suggestions, please forward them to me prior to January 15 in order to bring them to the board at the next meeting.

Thanks so much and take care.
