Upcoming Fundraisers:

At long last, the opt-out agreement was approved by the Board. For those of you who do not wish to participate in fundraising, this is an affordable option. A copy of the agreement is posted here on the booster club web page. If you are interested, please complete the form and return it along with your check to me. This form would be good for our 2010 season.

The Board also approved a "contribution in-lieu of donation" policy that will allow for a donation rather than selling items. For example, for the citrus sale, if you do not wish to sell but would like to contribute, the requested donation will be \$25 (which is the \$5 profit on the 5 cases we asked each family to try to sell). For fundraisers where there is a history, contribution amounts will be set based on historical sales. For new fundraisers, the amount will be set by the Board.

The date for the Second Annual VYSBC Golf tournament has been set for Saturday, June 12, 2010 (rain date of Sunday, June 13, 2010) at the General's Ridge Golf Course in Manassas, Virginia. Please begin thinking of friends and family that would be interested in participating. This fundraiser made a great deal of money last year with just a few participants. Let's see if we can pump it up this June and increase the jump rope coffers. Monies earned here would specifically offset expenses associated with Junior Olympics. We will have save the date cards available if you would like some.

For those of you at the parent's meeting, you remember we have set the date for the yard sale for Saturday, April 24. The sale will be held in the Bob Evan's parking lot. Historically, this has been a very successful fundraiser. Look around for items you may wish to donate. More details regarding that will be forthcoming as we get closer.

In your mail boxes at the gym you may have seen the ESPN sports magazine subscription forms. For each \$40 subscription we sell, the booster club will receive \$30. This would make a great gift for Father's Day or birthdays.

The donut sales have been postponed for now due to weather and some difficulty securing Wal-Mart locations. There will be more information on the rescheduling of these sales forthcoming.

Comments/Concerns/Suggestions:

If you have any comments, concerns for fundraising suggestions, please forward them to me prior to February 22 in order to bring them to the board at the next meeting.

Thanks so much and take care.
