

Youth Sports Booster Club

Boys Gymnastics Team

Newsletter – April 2010

DEADLINES

\$50 due to Coach Greg for Regionals Meet Coaches Fees DUE WEDNESDAY, APRIL 7. You MUST pay by that date in order to compete.

Thanks to the great success of the car wash and the donations of some parents, the booster club has enough funds to subsidize a portion of the coaches' fees for the regionals. THANKS to all of you who helped!

FUNDRAISING RESULTS

Donation: MacDonald family donated \$360 to the boys' team.....THANK YOU to this great booster family.

Car Wash in March: \$456

We had a great day, a fun time together, and raised much needed funds. It's a great way to get to know the other families, it taps the community to raise funds, and it's all good clean service. Thanks to all those who helped: the Soderquists, Underwoods, Harris, Woods, Vos, Housamans, Sharps, Maksimowitz, Voorhees, Carpenters, Peterson, Colton Phillips, Anthony Bapple and Howard families for all your help.

FUNDRAISING OPPORTUNITIES

Timeshare Raffle

Mr. And Mrs. Davis have offered a timeshare week for a raffle. Thanks to them for heading up this exciting raffle opportunity. Please sell this to all your friends and neighbors in support of the boys' team. More details will be coming soon. Get ready for a chance at a vacation!

Future Car Washes

We'd like to start holding 1 per month for the next 4 or 5 months so we can earn funds for the next season. We need all the support we can get and PLEASE contact valerie_f_harris@yahoo.com to let me know if you'd be interested in being in charge of one. All you'd have to do is make sure there are enough supplies at the car wash, setting up about 15 minutes before start time, managing the activities throughout, and cleaning up at the end. Let's spread out the responsibility and time involved and all chip in and help. PLEASE come and support these car washes. Dates and locations will be coming out soon. Please also contact Valerie Harris if you have any great ideas on locations.

"It's not about winning or losing a competition, it's about beating the doubt from within yourself and knowing at the end of each day you are one step closer to your goals." - [Jonathan Horton](#), USA, *Two-time Olympic medalist (2008)*

"Everyone works hard when they want to, when they get quick results, when it's convenient to put forth effort. The

best work hard when they don't want to, when it's inconvenient to give it that little extra effort... and that extra effort might be just what they need to place them on top." - Peter Vidmar, USA, *Two-time Olympic gold medalist (1984)*
