Please sign up to help with meet setup and/or working the meet and/or contributing something for the hospitality room to feed the coaches/judges. Everyone should participate in some way. You can also sign up to help with concessions. This doesn't qualify as helping at the meet, as it is a fundraiser. However, for all the hours our team works at the concessions, we will earn fundraiser money for our team....so please help out by contributing or helping at the concessions as well.

All signups are in the front of the gym on the board.

Ways to Help:

Meet Set-up: We will be setting up for the meet Friday February 19th from 7:30-10:30 p.m. We will be moving equipment, cleaning, decorating. We need as many people as possible to help with set-up.

Working the Meet: We need people to sign-up to do the following things for the meet. You only have to work for one session.

FUNDRAISING OPPORTUNITIES

Citrus Sales

Citrus sales end Saturday, Feb. 13. Please have your orders in no later than that day. There is a folder in the boys' team binder in the folder box at the front of the gym. Don't some delicious oranges and grapefruit fresh from Florida sound great this time of year? Sell and buys lots – we earn \$5 a box. If you'd rather donate instead of selling, please put your donation with your name on it in the folder.

Recipe Books

The Booster Club will be selling recipe books collected from our members' favorite recipes. The sales will occur in time for mother's day gift-giving (although please share with everyone you can think of. Thank you to all of those who entered their tasty recipes. More details about the order and delivery dates for the book will be forthcoming.

Soda Machine

The soda machine is an ongoing fundraiser. All proceeds from the soda machine go to the boys' team. If you'd like to donate sodas, please let me know.

Car Washes

When it gets a little warmer outside, we'll be hosting some car washes to earn more money for the team as well as have lots of fun.
